

Lovely by skin institute

Hello Lovely

It's lovely to see you.

Welcome to our world of more beautiful skin. We're your new skin & body experts, brought to you by New Zealand's leading skin health brand – Skin Institute.

Offering treatments you want, using superior technology, at affordable prices. It's playful, joyful confidence and trusting the experts and knowing this works. It's looking in the mirror and liking what you see.

Our team are highly trained, and all of our services are signed off by medical doctors – so you don't have to worry about a thing.

We're here to help you to make the most of your natural beauty, so you can look good and feel good every single day.

Be your best – and loveliest – self.

Skin treatments

Skin analysis

Offering an in-depth skin analysis with OBSERV® 520, we use specialised filters to look deeper into your skin. We can visualise your skin's future, allowing us to create a personalised treatment to suit your skin's needs.

SINGLE

OBSERV® 520 Skin analysis (30 minutes)

\$49

Skin consultation

Prior to your first treatment your therapist will conduct a 15 minute skin consultation to discuss your current skin concerns and the results you are wishing to obtain to ensure the treatment is right for you.

SINGLE

Skin consultation* (15 minutes)

\$39

*The cost of the skin consultation is redeemable off any treatment or skin care product, within 14 days of the date of the consultation.

Skin peels

A quick and easy treatment used to improve several conditions seen in the skin, such as pigmentation, acne, ageing, dryness and general skin health. Lovely uses a leading range of peels that we can customise to your skin requirement, which offers optimum results with zero to minimal downtime.

	SINGLE	PREPAY 4	PREPAY 6

Age Defying/Problem/Pigmentation Peel	\$159	\$149 ea	\$144 ea
Vitamin A peel	\$179	\$169 ea	\$164 ea

Add on an LED light therapy treatment while you have your peel - \$49

LED light therapy

The Gold Standard in LED treatments, LPL LED allows your therapist to choose from three different modalities. With the ability to tailor the treatment to your skin needs, we can improve the condition of any skin type, including the most sensitive or acne prone skins.

	SINGLE	PREPAY 4
LED light therapy	\$79	\$69 ea

Microdermabrasion

Perfect for dull, lifeless skin, a microdermabrasion facial treatment exfoliates and removes the superficial layer of dry skin cells allowing new, healthy skin to shine through. During an enjoyable treatment your therapist will deeply cleanse your skin before gliding an exfoliating microdermabrasion wand over the face. Your skin will be left feeling smooth, hydrated and rejuvenated.

Lovely by skin institute Product

Our very own Lovely by Skin Institute product, designed in New Zealand by one of our expert Skin Institute Dermatologists, and made especially for you. This product range has no additional fragrances & covers your full skin care regime: cleanse, hydrate, nourish and protect. Now you have access to a doctor designed product at affordable prices so you can be your best – and loveliest – self.

Lovely by skin institute Product

Cleanse

\$59

Everyday Cleanser

A mild lactic acid cleanser for all skin types. can be used in the morning and evening. **Removes makeup and other debris** from skin so other skincare products can better absorbed. **A gentle cleanser** should be the first step in any skincare routine.

\$59

Clear Skin Cleanser

A gentle exfoliating cleanser containing 2% salicylic acid, jojoba beads and tea tree oil. **Helps to de-clog** the skin by removing surface dead cells and excess oil. It **improves general skin clarity** and helps to prepare and condition your skin.

Boost

\$59

Skin Brightening Serum

A lightening and brightening serum containing kojic acid, alpha arbutin and liquorice extract. **Evens skin tone and decreases pigmentation**, while helping to prevent new pigmentation developing. It's the serum to **correct an uneven complexion**. It can be further boosted by adding Vitamins B and C serums to your routine.

\$59

Soothing Serum

An **anti-inflammatory**, healing and calming serum containing calendula, ginger and cucumber extracts. **Helps reduce redness** and soothes irritation - especially after treatments. A hydrating and calming serum **perfect for those with sensitive or irritated skin**.

Boost

\$59

Collagen Restoration Serum

An **anti-ageing** serum packed with a number of peptides. Helps **boost collagen** formation and promotes skin regeneration, healing and healthy tissue growth. This is a **powerful skin restoration** serum for all ages.

\$59

Vitamin A Serum

A **correcting night serum** containing Retinol (Vitamin A). Helps to **reduce fine lines** and wrinkles, fades actinic keratosis spots, evens pigmentation, and speeds the turnover of superficial skin cells. **Reduces overall signs of aging.**

Boost

\$59

Vitamin B Serum

A delicate blend of **Vitamin B3, B5 and B7**. Evens skin tone, **boosts the skin's immunity**, protects against photoaging and helps to improve the appearance of enlarged pores. Vitamin B is an overall **skin conditioning superfood**. It is excellent for all skin types and ages - it is instrumental for the creation of healthy glowing skin.

\$59

Vitamin C Serum

A **powerful antioxidant** containing Vitamin C and ferulic acid. Helps **promote collagen** production and protects the skin from photo-damage. Keeps skin looking younger by promoting collagen, **protects against sun damage** and evens out skin tone.

Lovely by skin institute Product

Hydrate

\$59

Everyday Hydration - Normal skin

A light daytime moisturiser for normal skin containing a mix of antioxidants, botanicals and vitamins. Keeps the skin hydrated and supple whilst helping to protect against everyday environmental stressors. Helps keep the skin looking and feeling fresh all day, excellent to use under makeup and sunscreen.

\$59

Daily Light Hydration - Oily skin

A non-oily daytime moisturiser containing witch hazel and chamomile. Helps to keep oil production and inflammation under control. Excellent for those with oily or blemish prone skin as it won't leave the skin looking oily or shiny.

Hydrate

\$59

Hydrating Night Cream

Cream to soothe while you sleep or boost skin during the day in the dryer winter months. Helps repair & renew the skins protective & defensive functions. Co-Enzyme Q10 is a strong anti-oxidant, fighting off free radicals as you sleep. Apply a small amount to the face and neck each night after cleansing and after the application of any serums.

\$59

Gentle Eye Cream

A soothing cream for use around the eye area. Helps to reduce the appearance of fine lines around the delicate eye area. Peptides assist in increasing collagen production, helping to achieve a more youthful appearance.

Protect

\$59

Tinted Sun Protection - SPF30 Sunscreen

Broad spectrum, **protection against UVA and UVB rays**, prevents skin cancers and sunburns. Reflects UV from skin and **prevents sun damage** such as premature aging, loss of luminosity, pigmentation and fine lines. Tinted sunscreen is **light and easily colour matches to any skin tone**. Great on its own or under makeup.

\$59

Sun Protection - SPF30 Sunscreen

A broad spectrum SPF 30 physical sunscreen for the face. Zinc Oxide **physically blocks harmful, damaging solar rays** by deflecting them away from the skin. It helps **prevent sun damage**. An **absolute must-have in your daily routine**. Non-greasy, non-white formula is great under makeup or on its own.

Protect

\$59

Overall Sun Protection - SPF30 - Body

A broad spectrum SPF 30 physical sunscreen for the body containing DNA repair enzymes. Zinc Oxide **physically deflects harmful solar rays** away from the skin, it helps prevent sunburn and other sun related damage like skin cancer and photoaging. This non greasy formula dries within minutes.
