

**Lovely** by skin institute

# Hello Lovely

It's lovely to see you.

Welcome to your world of more beautiful skin. We are your skin & body experts, brought to you by New Zealand's leading skin health brand – Skin Institute.

Offering treatments you want, using superior technology, and at affordable prices. It's playful, joyful confidence, trusting the experts and knowing this works. It's looking in the mirror and liking what you see.

Our team are highly trained and all of our services are signed off by medical doctors – so you don't have to worry about a thing.

We are here to help you make the most of your natural beauty, so you can look good and feel good every single day.

Be your best – and loveliest – self.

# Skin treatments

## Deposit

All appointments require a \$39 deposit to secure your appointment. This can be transferred from one appointment to another or redeemed off the cost of an appointment or product if no future bookings are made. Deposits are non-refundable. Cancellation T&C's apply. For full terms and conditions refer to [lovelybyskin.co.nz](http://lovelybyskin.co.nz)

## Consultations

A consultation is required before your first appointment in a new treatment type.

## Skin analysis

With OBSERV® 520, specialised filters are used to look deeper into your skin. We can visualise your skin's future, allowing us to create a personalised treatment to suit your skin's needs.

	SINGLE
OBSERV® 520 Skin analysis (30 minutes)	Complimentary

--	-------

BOTOX® is a Prescription Medicine containing 100 units of botulinum toxin type A for injection. It is used for the treatment of frown lines, forehead lines and crow's feet. It should be administered only by trained medical professionals. Ask your specialist about the benefits and risks of using Botox and whether Botox is right for you. If you have any side effects or concerns speak to your health professional. You will need to pay for Botox. Botox has benefits and risks. Always follow your specialist's instructions. For more information refer to the Consumer Medicine Information for Botox at [www.medsafe.govt.nz](http://www.medsafe.govt.nz) BOTOX® is a registered trademark of Allergan, Inc. Allergan New Zealand Ltd, PO Box 1873, Shortland Street, Auckland 1140, New Zealand.

Dysport® Disclaimer. You will need to pay for this medicine and the doctor's consultation. Dysport® treatment lasts about four months and after this time further courses of treatment may be necessary. Discuss with your specialist if Dysport® is right for you. Dysport® is a Prescription Medicine containing 500 units of Clostridium botulinum Type A toxin-haemagglutinin complex for injection. It is used for the treatment of severe frown lines. It should be administered only by trained medical professionals. Talk to your specialist about the benefits/risks of this procedure in appearance medicine. Cautions: Presence of infection at site of injection and glaucoma. Dysport® should only be used with caution under close supervision in patients with subclinical or clinical evidence of marked defective neuro-muscular transmission. Teratology and other reproductive studies have not been performed and Dysport's safety in pregnancy and lactation has not been established. Possible side effects include headaches, pain, burning or redness at injection site, local muscle weakness including drooping eye lids, lack of feeling and nausea. If you have side effects or concerns speak to your doctor. Distributed by Healthcare Logistics, Auckland.

JUVEDERM ULTRA TM & JUVEDERM ULTRA PLUS TM injectable gels are Prescription Medicines containing 24 mg/mL cross linked hyaluronic acid. They are used for the filling of medium size and deep facial wrinkles by injection into the skin and for creating definition and volume in the lips.

# Specialised skin treatments

## Pigmentation: Laser

Using a class 4 medical grade laser, this treatment is suitable for lighter skin types. It is effective in removing pigmentation from sun damage, such as brown spots and age spots.

# Cleanse

**\$59<sub>ea</sub>**

## Clear Skin Cleanser

A gentle exfoliating cleanser with 2% salicylic acid to help clear and decongest skin, improving skin clarity. 172ml

## Everyday Cleanser

A mild lactic acid cleanser which increases your skin cell turnover with every wash, great for anti-ageing and improving skin condition. 172ml

## Glycolic Scrub

An anti-aging scrub with glycolic acid to help smooth and refine skin. A great companion to many of our treatments. 172ml

# Boost

\$59<sup>ea</sup>

## Skin Brightening Serum

A lighting and brightening serum which assists in decreasing and preventing pigmentation irregularities and evens the skin tone. **30ml**

## Soothing Serum

Anti-inflammatory, healing and calming serum that helps to reduce redness and soothe irritation – especially great after a treatment! **30ml**

## Collagen Restoration Serum

Packed with peptides, this serum helps boost collagen formation and promotes skin regeneration in all ages. **30ml**

## Vitamin A Serum

A correcting night time serum that helps to reduce fine lines, increase cell turnover and evens pigmentation – reducing the overall signs of ageing. **30ml**

## Vitamin B Serum

A powerful superfood for the skin. Vitamin B serum boosts the skin's immunity, protects against photo-ageing and helps to minimise the appearance of enlarged pores. **30ml**

## Vitamin C Serum

Vitamin C is a powerful antioxidant and is vital in neutralising oxidative damage in the skin – key to the longevity of your collagen and elastin fibres. **30ml**

# Hydrate

\$59<sub>ea</sub>

## Gentle Eye Cream

Increase collagen production and reduce the signs of fine lines around the eyes with this soothing and lifting cream. Use twice daily. **15ml**

## Everyday Hydration - Normal skin

Keep the skin hydrated and protected with this light daytime moisturiser which is packed with antioxidants, botanicals and vitamins. **60ml**

## Daily Light Hydration - Oily skin

A non-oily daytime moisturiser which helps to keep oil production and inflammation under control. **60ml**

## Hydrating Night Cream

Boost your skins hydration and fight off free radical damage whilst you sleep, with this protective defensive cream. **60ml**

# Protect

\$59<sub>ea</sub>

## Soothing & Calming Balm

An intense hydrating and protective barrier cream which creates the perfect conditions for the skin to repair and replenish post irritation or treatment. **172ml**

## Post Laser Care Gel

This cooling, calming and soothing gel is not only a great anti-inflammatory and anti-microbial product, but it is also perfect to apply post laser treatment. **172ml**

## Overall Sun Protection - SPF30 - Body

This fast-drying sunscreen has DNA repair enzymes which help to slow ageing down. SPF of 30+ helps to prevent further DNA damage which can result in skin cancer and photoaging. **172ml**

## Tinted Sun Protection - SPF30 Sunscreen

A broad-spectrum sunscreen which protects against both UVA & UVB, preventing skin cancers, sun damage and premature ageing. This tinted sunscreen is light and easily matches any skin tone. **60ml**

## Sun Protection - SPF30 Sunscreen

This non-greasy and light formula uses zinc oxide to physically deflect damaging solar rays off the skin, preventing skin cancers, sun damage, and premature ageing. **60ml**
